

SAVIOUR EY-601 SAFETY EYEWEAR

Model No.: EYSAV-601

Saviour EY-601 Safety Eyewear

Eye protection is essential across all industries. One of the most frequent personal industrial injuries involves damage to the eyes, affecting not only those operating machinery and equipment but also individuals navigating areas with hazardous operations. Saviour EY-601 Safety Eyewear provides a solution to such protection needs.

TECHNICAL SPECIFICATIONS

Frame Material	Nylon frame
Lens Material	Polycarbonate

CERTIFICATION

EN 166: 2001
Meets EN 170:2002 & EN 172:1995
