# Saviour I-1002 Safety Eyewear

Eye protection is essential across all industries. One of the most frequent personal industrial injuries involves damage to the eyes, affecting not only those operating machinery and equipment but also individuals navigating areas with hazardous operations. Saviour I-1002 Safety Eyewear provides a solution to such protection needs.

## TECHNICAL SPECIFICATIONS

Frame Material	Nylon frame
Lens Material	Polycarbonate

## KEY HIGHLIGHTS

- 1. Enhanced robustness coupled with high optical clarity for comprehensive eye protection.
- 2. Shields against high-speed particles with low-energy impact.
- 3. Maintains stability even in elevated temperature conditions.
- 4. Provides complete side protection.
- 5. Features adjustable arms for customizable fit.
- 6. Equipped with anti-scratch coated lenses.
- 7. Incorporates anti-fog coated lenses.

## APPLICATIONS

- 1. Industrial settings requiring comprehensive eye protection, particularly in outdoor work environments.
- 2. For activities such as erection, commissioning, and pipeline installation.
- 3. Mechanical engineering workshops.
- 4. Construction sites.
- 5. Automotive repair shops.

## CERTIFICATION

EN 166: 2001  
Meets EN 170:2002 & EN 172:1995
